Bangalore,
8th September 1939

My dear Kesavaiengar,

The Resident considers it essential that in time of war all internal correspondence between enemy subjects at liberty should be censored. All India Censorship only deals with foreign mails. He therefore proposes to issue interception orders under the Posts and Telegraphs Acts with regard to the correspondence of enemy subjects at liberty passing through important Post Offices in the Mysore State. The control of enemy foreigners resident in the State is of course the responsibility of the Government of Mysore. He has no doubt that they agree to the necessity of this measure and proposes that the censorship of the correspondence should be undertaken by the Mysore State Police, if the Government of Mysore agree. He desires therefore to issue such interception orders to the Post Offices at Mysore, Bhadravati and Gundlupet (Mysore District) and requests that the Government of Mysore may authorize their Inspector General of Police to give the co-operation envisaged above. The order will state that the correspondence should be given to the Inspector General of Police, Mysore, or an officer deputed by him.

Yours sincerely,

Rajasevaprasakta
Mr.B.T.Kesavaiengar,B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, the 5th April 1941.

Subject:- Interception.

SIR,

I am directed to say that copies of interception orders under section 26 of the Indian Post Office Act 1898 and section 5 of the Indian Telegraph Act 1885, issued by this Residency in respect of letters and telegrams addressed to or by persons residing in the Mysore State and intended for the Inspector-General of Police in Mysore, have been forwarded to the Government of Mysore for favour of delivery to him. In order to obviate any delay in these interception orders reaching the Inspector-General of Police in Mysore, as he should have prompt intimation in order to make arrangements for censoring, it is suggested that copies in future be sent direct to him, a copy being sent to the Government of Mysore for their information.

This may be done. MS 7/4/41

2. I am directed to enquire whether the Government of Mysore have any objection to the revised arrangements.

SIR,

P.S. 11/9/39

Interception orders are being sent by the Residency to the postal authorities concerned in the Mysore State, with the object of ensuring that all inland letters addressed to or by all German subjects left at liberty in the State, shall be detained and sent to Bangalore for censorship.

It will be the business of the local Police to assist the postal authorities in "spotting" the letters which are to be detained. In Bangalore and Mysore this duty will devolve upon the Inspector and Sub-Inspector of the C.I.D. Intelligence Branch; and in Bhadravathi, on the Sub Inspector of the C.I.D. Intelligence Branch.

The District Superintendent of Police, Mysore, will kindly arrange for an Officer of the local Police Station to assist the Sub-Postmaster of Gundlupet in identifying inland letters emanating from Miss Elizabeth Hartman.

Subject.- CENSORSHIP OF INLAND CORRESPONDENCE OF ENEMY SUBJECTS.

In continuation of my Secret letter No. S.B. 84/39-40 dated September 6, I enclose for your information a copy of the Law Secretary's D.O. letter No. P. 1641 dated September 9, and its enclosure.

It will be seen that the Police of this State are now required not only to assist the local Postal authorities in " spotting " inland letters addressed to or by Enemy Subjects in the Mysore State, but also to take over the duties of censorship in respect of such letters.

The procedure will be that all inland letters addressed to or by Enemy Subjects in Mysore and Gundlupet will be handed over to Inspector Mr. Zahiruddin of the C.I.D. Intelligence Branch, Mysore;(in the case of Gundlupet, through the local Station House Officer). As the censorship will be secret, envelopes must, as far as possible, be opened and closed in such a manner as to conceal the fact that they have been opened. The officer named will go through the letters and, if nothing objectionable or suspicious is found, will hand them back to the Post-master for delivery or despatch as the case may be. If the letters or enclosures are written in a language other than English, or if the contents seem to be objectionable or suspicious, the office named will transmit them in sealed covers, by registered post, direct to the Superintendent of Police, C.I.D. & R.s.

for disposal according to the instructions of the Inspector-General.

Secret D.O. letter No. P.1641/Enc.1 dated 9th September 1939 from the Secretary to Government Law Department, Bangalore, to the Inspector General of Police in Mysore.

I am desired to enclose herein for your information and guidance a copy of Secret D.O. No. P.192-39 dated 8th September 1939 from the Secretary to the Hon'ble the Resident and to state that this Government has agreed to the proposal indicated in the above letter.

Secret D.O. letter No. P. 192-39 dated 8th September 1939 from the Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to the Government of Mysore Bangalore.

The Resident considers it essential that in time of war all internal (inland) correspondence between enemy subjects at liberty should be censored. All India Censorship ~~order~~ only deals with foreign mails. He therefore proposes to issue interception orders under the Posts and Telegraphs Act with regard to the correspondence of enemy subjects at liberty passing through important Post Offices in the Mysore State. The control of enemy foreigners resident in the State is of course the responsibility of the Government of Mysore. He has no doubt that they agree to the necessity of this measure and propose, that the censorship of the correspondence should be undertaken by the Mysore State Police, if the Government of Mysore agree. He desires therefore to issue such interception orders to the Post Offices at Mysore, Bhadravathi and Gundlupet (Mysore District) and requests that the Government of Mysore may authorise their Inspector General of Police to give the co-operation envisaged above. The order will state that the correspondence should be given to the Inspector General of Police, Mysore, or an officer deputed by him.

The following is issued for information:-

Letters and documents carried by persons embarking or landing at Indian ports or aerodromes.

1. (a) The responsibility for the enforcement of the regulations prohibiting non-postal communications from being taken into or out of British India, by land, sea or air, rests with the customs officials, assisted by the port or aerodrome control officers, and the police, if necessary. Any documents, the carriage of which contravenes the regulations, will be seized by the customs officials and handed over to the censorship authorities, who will be responsible for their examination and detention or delivery to the appropriate authority. The Chief Censor, India will arrange with the Finance Department (Central Board of Revenue) for the submission of all intercepted correspondence to the censorship authorities.

(b) The Political Department will be responsible that suitable arrangements are made to ensure that non-postal communications are not taken into or out of India by land, sea or air from the territories of the Indian States. Intercepted documents will be transmitted to the nearest censorship station. The External Affairs Department will make similar arrangements for the territories under their control.

(c) In certain cases persons, to whom it is desirable to give facilities for the carriage of documents out of Indian territory by hand ~~(para 229),~~ will be permitted to bring documents in question to the censorship authorities where they will be sealed up after scrutiny and returned to the bearer. The censor's seal, if unbroken, will obviate examination or confiscation of the documents at the port, provided that the control or customs authorities are satisfied as to the identity of the bearer.

2. Packets entrusted by persons on board ship to pilots or others for posting.

Instructions will be issued by the Commerce and Communications Department to the port officers administered by them, and by the Central Board of Revenue to the customs officials, to secure all packets entrusted for posting ashore, to crews of lightships or to pilots, hovellers, compass adjusters or others, by persons on board passing ships or ships putting out to sea. Those officers will submit the packets to the censorship authorities, unless they are clearly recognisable as official letters or letters on ships' business, which have been exempted from censorship.

3. Packets intended for delivery by hand to persons on board ships or aircraft bound for a foreign country.

(a) All packets addressed to the care of shipping firms, air line companies or their agents, or to a customs or consular office, for delivery to persons on board ships or aircraft will be submitted to the censorship authorities, unless they have already been censored, and subject to the exceptions in (b) below. As it is desirable to expedite legitimate business correspondence of this nature, arrangements may be made, by the Chief Censor, India, in consultation with the departments concerned, for packets to be submitted to the nearest port or aerodrome control officers who have had training in censorship work. If code or secret writing is suspected, the packets will be referred to the censorship authorities for expert examination.

(b) The following classes of packets will usually be exempted from censorship:-

i. Those addressed to a British master of a ship, or captain of an aircraft, from British shipping and aircraft companies.

ii. Those which relate solely to charter or cargo or other packets entirely on British ships' or British aircraft's business.

These packets must be in unsealed covers until taken over by masters of ships, etc., to facilitate last minute examination, if desired, at the port of departure. An order will be made under the Defence of India ordinance, which will provide that ship-owners' letters and shipping and aircraft correspondence exempted from censorship, will be submitted to inspecting officers sent periodically to ports or aerodromes.

4. Packets addressed through the inland post direct to persons on board ships or aircraft bound for a foreign country.

By arrangement with the postal authorities, these packets will be picked out of the mails of the post office of delivery and submitted to the censorship authorities or to the port and aerodrome officers, unless it is obvious from the covers that they are either on the business of a government department or fall under the categories given in paragraph 3 (b) above.

5. Printed matter sent otherwise than by foreign mails.

Printed matter, including plans, maps, photographs and other pictorial representations and literature for the blind, sent out of India otherwise than through the post, will be controlled by orders made under the Defence of India ordinance. Such matter will only be despatched by firms authorised for that purpose by the Defence Department of the Government of India.

My dear Sir Mirza Ismail

My friends Miss Olga de Blanc and Countess Salm, who motored by themselves all the way from Europe and are now touring in India, have written to me they are most desirous of seeing Mysore of which they have heard so much, and I should be disappointed if they were to return without doing so. Should they carry out their intention, they as well as I would be very grateful if they were afforded facilities to see as much as possible of your beautiful and interesting State.

With kindest regards and all good wishes for 1940, and hoping we may meet again before very long.

Yours very sincerely

SIR,

C.B. Reference No. 10/12

With reference to your Secret letters No.2056/C.B. dated 9-11-1940 and No. 2379/C.B. dated 6-12-1940 regarding interception of correspondence of aliens, I have the honour to enclose for the information of Government a list of persons of the type referred to therein, with my recommendations as follows.

The aliens residing in the limits of Kadur, Kolar, Mysore and Kolar Gold Fields Districts are reported to be completely pro-Ally and no instances have come to notice so far to show that they have any pro-Nazi or anti-British views or sympathies. Hence there seems to be no harm in granting them exemption.

As regards the aliens living in the limits of Bangalore City, it is desirable to have their correspondence intercepted for some time and their names gradually eliminated from the list in the light of experience.

The correspondence in respect of the Belgians, residing in the limits of Shimoga District, deserve to be intercepted. But as the letters are mostly in their own language, it is not possible to arrange for their scrutiny locally.

As regards the aliens residing in the limits of Bangalore District, and Celestinus Auzuech and Arthur Pointet of Hassan -

(P.T.O.

District, it is reported that all of them have pro-Vichy sympathies except Arthur Pointet. Hence, interception of correspondence in respect of every one of them appears to be desirable.

It has been suggested that certain Indian gentlemen who have received their technical training in Germany might be in a position to furnish information which would be of value to the Royal Air Force.

I see that you obtained one of the Alexander Von Humboldt-Stiftung Scholarships and are therefore well acquainted with a number of German industrial centres.

Will you very kindly let me know whether you would be prepared, if asked, to impart such information as you possess in this connection?

Dear Mr. Kesavaiengar,

I am desired to enclose for your information a copy of a secret endorsement from the Superintendent of Police, Special Branch, C.I.D, Madras, No.4126/C, dated the 3rd July 1941 and to say that the Inspector-General of Police in Mysore has been informed by Commissioner of Police, Civil and Military Station, Bangalore, informally of the contents ~~xxxxxxx~~ of this endorsement. At the request of the Inspector-General of Police interception orders in respect of the correspondence of N.C. Thimma Reddy and K. Hanumanthia have been issued.

2. I am to request that the secrecy of the interception may be maintained.

Yours sincerely,

(for Major Macann).

Secret.

Extract from letter sent by Prof. N.G. Ranga, detenue in the Central Jail, Vellore, to his wife Mrs. Bharati Devi, Ranga.

"Resolutions for the A.I.K.C"

* * * *

(g) to authorise G.L.N. Joint Secretary and Devijee to appoint an organising committee in consultation with Hanumayya who is now interend for developing Kisan Movement in Hyderabad.

(h) to authorise Timma Reddi and Hanumantha to organise Mysore Kisan Sabhas (Hanumanthu has organised the first Mysore State Kisan conference presided over by me).

It is necessary that we must get these two States into our hands through the A.I.K.C and then slowly prepare the ground. Please remember that even if we do not succeed in doing much work; organise many Sabhas or conferences, the mere holding of such keys i.e. nominal committees will be of very great help in future in fight against the C.P. or C.S.P. since whoever has the initial start by being in charge of a committee has a special advantage over all others. Please remember how much mischief Pitchayya was able to play during last year by merely having the committees' office with him.

Therefore let us close in all these loopholes and keep in our hands all these different committees.

They may raise objections to recognising Hyderabad and Mysore K.S. on the ground that there is no work there and no initiative is taken by local people etc., our answer is that Hyderabad was recognised at Gaya conference by appointing Hanumayya of Hyderabad State as substitute C.K.C and that he attended the Nagpur C.K.C. meeting and that Hanumanthu has already been working in Mysore and only wants affiliation with the strength of A.I.K.C. Write to him now and get formal application from him that effect".

Forwarded for information to
1. Dy Director-General of Police CID Hyderabad.

The Secretary to the Hon'ble the Resident in Mysore, Bangalore.

2. The secrecy of the interception may please be safeguarded.
